Please make all reservations online. For 10 or more reservations, send your reservation requests to ccreservations@omnihotels.com with the subject line "FCCLA 2024 (School Name)". If you have any issues online, you may also reach out to Mellisa Smith via the "ccreservations" email address.

It is recommended that all reservations are made under the advisor name and then once the reservation has been made, student names may be added as accompanying guests. **Please ensure all students are listed as adult occupants and not children.** You will immediately be given your confirmation information at the end of uploading your reservation information. You will be able to securely upload your credit card information.

When booking your reservations, please list the best phone number and email address the hotel can reach you at. Three weeks prior to the group's arrival, the hotel will email forms requesting student names, ETAs, tax exemption status, and chaperone responsibility to ensure we have all the necessary information to prepare for each school's arrival.

A 9% city occupancy tax and 2% Corpus Christi Tourism PID Reimbursement fee will be added to all rates. Bring your hotel state occupancy tax exempt form and present at check in to remove the 6% state occupancy tax (taxes and fees are subject to change without notice).
