“the sky is the limit when there are footprints on the moon.”

Be amongst the STARS by competing in events that launch you “Beyond the Limits”!

STAR Events (Students Taking Action with Recognition)

STAR Events are competitive FCCLA events in which members are recognized for proficiency and achievement in chapter and individual projects, leadership skills and occupational preparation. STAR Events offer individual skill development through the following: cooperative - team work to accomplish specific goals; individualized - members work alone to accomplish specific goals; and competitive-individual or team performance measured by an established set of criteria.
