

FCCLA Update

SUMMER ALMOST HERE-SUMMER SUMMITS ARE PLANNED

Be sure to start planning for the 2016-17 school year before you close your school doors for the summer. The FCCLA Summer Summits will take place in June at many Education Service Centers in Texas. These meeting will give you the opportunity to take 10 students to a training to prepare them to be local officers and help advisors “jump start” their chapter. Contact your local ESC to see if they are hosting a summit. Don’t miss out.....

Check Out the 2016-17 Calendar

Look for the 2016-17 calendar on the FCCLA website. You can begin thinking of exciting things coming your way to offer your students.

STATE LEADERSHIP CONFERENCE A SUCCESS

A special thanks goes to all those that attended the 2016 State FCCLA meeting. The state officers did a tremendous job with all of their responsibilities and we received many positive comments from local businesses and individuals on the behavior of the students. We hope it was a successful experience for all of you.

LaQuinta Continues Partnership

Planning a summer vacation? Remind all of your members that **anyone** can use the FCCLA code and get a reduced price at LaQuinta Hotels. Reservations can be made through the FCCLA Website or by using the code **TFCCLA** when making reservations on the LaQuinta website or in a hotel. Encourage all organizations and groups (band, drill team, dance groups, other organizations) to use the code to help them out with the costs of their travel and to help FCCLA at the same time.

National Conference in July

Texas FCCLA has a large delegation attending the national FCCLA meeting. We will be using the app to communicate with and post information about the conference. Please make sure all your delegates have the app downloaded; individuals not attending should also use to app to keep us with what is happening in San Diego.

Encourage Members to use Social Media

As the school year winds down, please encourage your students to all like the Texas FCCLA facebook account. We want to raise awareness of the association and need more people to help us spread the word about FCCLA. Let 's see if we can get a record number of new likes before school's close for the summer. Advisors/teachers need to like us too.....a great way to keep up with summer activities.

May is Global Youth Traffic Safety Month

If your chapter is doing anything on traffic safety this month, please send plans and outcomes to Sharon Pierce at spierce@texasfccla.org. These activities tie into our FACTS program so well and are successful around graduation.

Have a great end of the year and wonderful summer!
