

## FCCLA: Constructing Leaders

The \_\_\_\_\_ chapter of Family, Career and Community Leaders of America will be attending the Region \_\_ Conference, which will be held in \_\_\_\_\_, TX, on \_\_\_\_\_, 2018.

For years on end, Family, Career and Community Leaders of America (FCCLA) has enabled students to find themselves while developing the necessary skills needed to succeed in the real world as well as providing an experience that you won't be able to find anywhere else. Beginning in 1945 as the Future Homemakers of America (FHA), this very unique organization was, and still is today, the only organization with family as its main focus. This allows students to bond with each other and build long lasting friendships with people they have yet to meet before entering FCCLA. Members are encouraged to work together and accomplish goals that aren't achievable if done alone.

FCCLA trains leaders across the state of Texas to build strong communities that focus on families and careers. The meeting will feature a series of specialized leadership tracks and general sessions in which members will discover ways to become actively involved in issues facing today's youth.

STAR (Students Taking Action with Recognition) and Proficiency Events are competitive events in which members will participate at the region meeting. These events will allow members to showcase their life skills in different areas of competition. Family Consumer Sciences Assessments will take place on Friday. Also, the new officer team for 2018-2019 will be elected for the following year.

FCCLA is a dynamic youth organization that has the family as its central focus. This meeting will have members tweeting, instagramming, and snapchatting endlessly about their time there. Student leaders of Texas FCCLA are ready to begin the journey of "FCCLA: Constructing Leaders".
