

# Texas Service Learning Project

This year for the Texas service learning project we will be partnering with the Aberg Center for Literacy to donate children's books and hand-crafted book marks. We will also be collecting mentor reading hour logs (one per each chapter) that can be documented and sent by email to [karla.delafuente@texasfccla.org](mailto:karla.delafuente@texasfccla.org) by January 25, 2018. There will be a contest for the most creative book mark and for the most mentor reading hours collected, the winner will be recognized at the state leadership conference in Dallas Texas.
